

Ivinghoe Parish Neighbourhood Development Plan

Dear Resident,

A Steering Group, consisting of Parish Councillors and residents of Ivinghoe, Ivinghoe Aston and Great Gap has been formed and is aiming to construct a clear Neighbourhood Development Plan (NDP) for the evolution of the Parish.

Our objective is to make the Ivinghoe Parish NDP reflect community wide comments and concerns about its future. We want and need your input to do this.

To launch Ivinghoe Parish's NDP we are having a series of consultation events in Ivinghoe and Ivinghoe Aston;

- Friday 11th September, Brookmead School 6pm-10pm
- Saturday 12th September, Brookmead School 11am-3pm
- Tuesday 15th September, Ivinghoe Aston Village Hall 3pm-9pm

These events will seek to build awareness of the NDP and with your help, understand local views to help shape the objectives of the plan.

We need your thoughts and ideas on areas such as housing, transport, sport & recreation, business opportunities and the immediate environment. We have a unique opportunity to shape our Parish so its special character, landscape and historical qualities are protected for future generations.

Please support the consultation events. It is **YOUR** views of Ivinghoe Parish that will bring the plan to life and ultimately be translated into planning policy.

If you have any questions or ideas about the Ivinghoe Parish Development Plan, please get in touch with us at: ivinghoe.org.uk/contact-us

Kind Regards

Andrew Kinsey
Chair - Ivinghoe Parish Neighbourhood Development Plan
