Welcome from the Chair

Autumn has arrived and at the time of writing it's been very mild and the parish is looking beautiful.

Editor

Thank you to Christabel Boersma who has edited The Ivinghoe Beacon for several years, we wish Christabel all the very best for the future. Bridget Knight, Ivinghoe Parish Clerk is now the new Editor.

Roads

The recent Bucks CC roadworks at Horton Road, Slapton have led to diversions and have been inconvenient for us, but we look forward to having improved road surfaces.

The Parish Council continues to work towards the traffic calming BHB Scheme, which is being worked on with neighbouring Pitstone Parish Council and Bucks CC.

Ivinghoe Show

In September we enjoyed the resurrected Ivinghoe Village and Produce Show which received many entries and showcased some of the talents of the locals. A huge thank you to the organising committee who worked hard to make this traditional show a great success. I hope that a new committee comes together to continue this for next year. There is a list of winners and photographs from the day in this edition, the front-page insert is a photograph of Lucy Barker's 30mph cake.

Ivinghoe Lawn

Unfortunately, there has been an increase in dog fouling on Ivinghoe Lawn. Failure to pick up after your dog can lead to a £1000 fine, as well as making the various activities on the Lawn particularly hazardous.

Ivinghoe Lawn is being tidied-up with undergrowth being removed, there will still be lots of areas for wildlife to enjoy. The Parish Council are investigating the options of repairing/replacing the ancient metal railings around the Lawn which are damaged, we will be looking for grants to fund this.

BT Phone Boxes

BT will be removing the redundant phone boxes in our parish in the next few months.

IA Broadband

In Ivinghoe Aston a group of residents have formed a steering group to improve the broadband in Ivinghoe Aston, which is potentially very exciting for IA residents. ►

War Memorial

I am pleased to report that the Ivinghoe War Memorial has been fully restored and cleaned. This was thanks to a grant from The War Memorials Trust for 70% of the cost.

Brookmead School's 50th Anniversary

Brookmead School celebrated 50 years, I was one of the first pupils to attend the new school.

Fully Qualified Parish Clerk

Finally, some very good news for Ivinghoe Parish Council. The Parish Clerk has completed the (SLCC) Society of Local Council Clerk's Certificate in Local Council Administration (CiLCA) qualification in a year. This means that the Parish Council has at last got a fully qualified Parish Clerk. So congratulations to Bridget.

May I take the opportunity to wish everyone a very Happy Christmas and Prosperous 2018.

Please check the website for updates and information www.ivinghoe.org.uk or contact the Parish Clerk on 07960 605393.

Have you ever thought about 'growing your own'? Growing your own fruit and vegetables can be a very satisfying experience and in Ivinghoe we are very lucky to have some beautiful allotments just off Church Road, overlooking St Mary's Church. If you are an Ivinghoe resident and would like some more information about availability of plots - we have them in a range of sizes - please contact the Parish Clerk at ivinghoechurchclerk@gmail.com

NB: there may not always be an available plot but we do keep a waiting list!

Ivinghoe Aston Village Hall

Villagers are reminded that there is a hall at Ivinghoe Aston for hire at similar rates to Ivinghoe's Village Centre and Town Hall. For details contact booking secretary Barbara Rayment **01525 220959** or email jackparsons@yahoo.in

Broadband: full speed ahead?

Stephen Lott, parish councillor, gave a presentation in August on options for getting faster broadband in Ivinghoe Aston. A group of volunteers, the Ivinghoe Aston Broadband Group, is looking into this. Group members are David de Butts, Sheena Foy, Liam Hall, Dee Harrington, Clive Ketteridge, Chris Pyne, Huw Thomas and Mark Walker. You should already have received a survey designed to give the background information needed when approaching suppliers, organisations offering grants etc. Many thanks if you have already responded. If you haven't, please consider doing so as you will be helping the whole village. If you would like further information please contact Mark Walker (07772 105755; iabroadbandgroup@gmail.com). And talking of speed...

Gotcha

As noted in the 100th issue, traffic speed in IA has been a recurring theme over the past 25 years. So many thanks to those who have been on the speed camera course and then in action on the streets. Speeding is not only dangerous, but it is also intrusive. Vehicles doing 30mph or less are sufficiently silent, but our double glazing doesn't shield us from the whizz of the 40+ merchants (if you are a DG salesman btw, we're not interested, thanks) and with larger or faster vehicles, the house shakes. Here are a few verses on the subject. Any resemblance to real people or places is purely coincidental.

Getting the hump

Old Arthur owned a Grade II Listed house beside a straight,

But rather narrow village street, along which heavyweight,

Articulated lorries, vans and other vehicles roared.

It had a thirty limit, which was generally ignored.

In manifold attempts to make excessive speeding cease,

He badgered local councillors, his MP and the Police.

He leafleted the residents, stuck posters on the walls,

Spoke out at public meetings and made countless angry calls.

"The house shakes", Arthur moaned, "as zooming traffic thunders past,

And white vans, in particular," he said "go far too fast."

"It isn't safe for children and it isn't safe for me.

We need a crossing, camera, hump and, preferably, all three."

He photographed the culprits and, for evidential screech,

Recorded registration number, colour, make and speed.

Considering the documents stacked deeply on his shelf,

I'd say he made a quite compelling treatise for himself.

The Council Chairman understood, but said the choice was stark.

"We need to mend the potholes first, put dog bins in the park,

Make loos disabled-friendly, thus, with other things I've missed, I fear that traffic calming is a fair way down the list."

A red, expensive sports car was careering through one day.

A forty-four-tonne artic hurtled down the other way.

A black cat came from nowhere, a precursor of bad luck,

And Arthur was the victim of the swerving, giant truck.

He catapulted heavenwards and, on his inbound flight,

Performed a dive Tom Daley would have struggled to get right.

The horrified eyewitnesses cried "what a way to go!",

As Arthur, with his final breath, yelled "there, I told you so!".

Foreseeing this occurrence, he had left an odd bequest.

His lawyers told the Council. They were somewhat unimpressed,

But, with a guilty conscience, undeniably too late,

They hoped that by complying no-one else would meet his fate.

So now you'll find a speed bump at the point where Arthur died.

It's slightly over six-feet long and not quite three-feet wide.

When vehicles rumble over it, the ghost of Arthur groans:

"The traffic's moving slower – I can feel it in my bones."

Nobody expects the IA inquisition – African Adventure

Sophia Razak has lived in IA for all her 16 years. She went to Edlesborough School then Sir Henry Floyd Grammar, where she has just entered the Sixth Form after stunning GCSE results. A linguist and musician, Sophia is preparing for a new and exciting adventure, heading off next summer on a World Challenge expedition to southern Africa.

Rikki: Which countries will you be visiting and what will you do?

Sophia: We are going to South Africa, Lesotho, Swaziland and Mozambique for a total of four weeks. We will have the opportunity to explore the countries, find out about their culture and, most importantly, help with projects that will improve people's lives. We will liaise with World Challenge personnel over the precise nature of the projects. I am particularly looking forward to tracking endangered whale sharks off ►

Mozambique – they are the world's largest fish.

Rikki: How many of you are going from the school?

Sophia: We will be in three groups of twelve, each group acting fairly independently. Everybody will get the chance to lead their group for a day, making decisions on what is done, what we eat and so on.

Rikki: How much training will you have to do?

Sophia: Quite a lot. We need to work well as a team. In October, we will be camping and hiking in Snowdonia for a weekend. This will be important preparation for me, as I'm not exactly a "hiking person"! We have been told that we will have just £3.60 per head to spend on food and that we must decide on our menus. That means that compromises will have to be made, which will help the team building (I hope).

Rikki: It should also be good practice for managing your budget at university! How much do you have to raise for the expedition itself?

Sophia: Each person has to raise £4,350. If we manage to raise more, it will go towards supporting projects in these countries, so it is very worthwhile. I have already raised £2,500, a lot of that from the afternoon tea sessions that several people in the parish have kindly attended.

Rikki: Wow! You are well on target, then, but how can readers help more with this very worthwhile adventure?

Sophia: I will be holding a Christmas fayre at Moses Cottage on 25th November (2pm – 8pm) and 26th November (2pm – 6pm). There will be market stalls, games, carol singing and instrumental music, and plenty of food and mulled wine. Also, I will soon be taking orders for cake selection boxes and, in spring, I will organise some more afternoon teas. If anybody is kind enough to support me further, they can contact me at srazak3@yahoo.co.uk, or visit this link to my World Challenge page: <https://www.myworldchallenge.com/make-a-contribution.asp?femid=942061&ch=m0J3m3>.

Rikki: Good luck, and I will be back to you this time next year for a report on how you got on. That reminds me, I said the same to Cameron Burchell before his expedition to Malawi. Cameron, I know you now live in distant Northall but, if you are reading this, please get in touch!

Horror of horrors!

The IA event of the year, the Horror Ball, was a massive success. Marc Dillon (compère and singer) worked his usual magic and got everyone digging deep and raising almost £4000 for Keech Hospice Care and Niemann-Pick UK, a charity researching a little-known fatal genetic disease with local relevance. A fab cake made by Beth Bounford was auctioned for £1000! Beth also made and donated the table favours and many of the props which added greatly to the ambiance. Ann Foo made fairy cakes which raised a further £205. Straight Eight Soul band filled the dance floor and Taira Foo put the willing through their paces to dance Michaels Jackson's thriller routine, brilliant

fun. Aiden and Charlotte ran the wine bar, helped by Sean, Kate, Lewis and Alfie, and the caterers did better than ever. Massive thanks to everyone who helped in any way before, during and after the event, all who attended and helped raise money, and all who didn't attend but donated money or time. Every contribution was important. It's great when a village comes together in support of such an enjoyable and worthwhile occasion. Finally, thanks to, and from, Maddie, Sarah, Sam and Sharon, the stalwart organisers.

The Sarah Ketts Shield

The 6th "Sarah Ketts Shield" took place on a sunny 6th October, raising another £2,500 for Sarah's favourite charity, Iain Rennie at home (IRAH), bringing the total to around £15,000. Sarah left us in 2012 and was a supporter of IRAH for many years and then enjoyed their services first hand, for which she was so grateful. The golf itself was secondary to the camaraderie and joy of remembering Sarah but, for the record, Sid James' team won. Well done Bingo Dave and Gel Boy for

keeping the event running year after year, and to the latter and his team for winning the wooden spoon.

KampKetts and BlanKetts

This from the camp chief himself. Originally for dads and kids, the 10th KampKetts comprised dads and teens, with the annual football match swinging in favour of the younger generation at last. A few walked from the campfire to the TV which screened the Mayweather vs McGregor 'Money Fight' at 5am; others slept through it. There were no complaints from the neighbours but that was probably due to politeness. Still it's only once a year and 30+ dads and teens enjoying a weekend together is surely worth it.

Ivinghoe and Pitstone W.I.

By the time you read this edition of the magazine the year will be almost over! But, what a year it has been for our W.I. Busy, busy, busy!

We have had some wonderful speakers throughout 2017 including: Origins of the First Grand National, Shoplifters, Tears of the Dragon and a very interesting talk on First Aid and Defibrillators. We now know that anyone can use one in an emergency.

Our American Shindig evening was well attended and everyone brought food for the evening. Our Boat Trip on the Thames was one of our highlights – four hours on the river and a wonderful lunch.

September and October meetings were open for anyone to visit with a view to joining our W.I.

The Quiz was once again sold out within two weeks of the tickets being issued. Good food and a wonderful raffle finished the evening perfectly. Our thanks go to Karen and Peter Baldwin for

arranging the questions.

Many of our members attended the Beacon Group meeting in Marsworth where we had a most interesting talk from one of the Queens' Yeoman of the Guards, who keeps her Majesty safe. The Yeoman's go back about 400 years and the uniform is the same as it was then with only a few small additions.

It is great to see the picnic tables we donated to both Ivinghoe and Pitstone Villages being used so much.

Our annual meeting will be in November and hopefully we will have some new members on our Committee. We finish this year with a Christmas meal at the Kings Head, Ivinghoe – a fitting end to our 100th year!

Please contact me on 01296 660436 if you would like any more information about our W.I.

Ivinghoe Parish Neighbourhood Development Plan

A public consultation was held in Ivinghoe Aston Village Hall on 12th September between 3pm and 9pm and repeated in The Hub, Ivinghoe on the 13th September. This followed the publication of the Draft Plan on the Parish Website and a summary of the plan policies delivered to every household and posted to relevant stakeholders. At the time we indicated that a period of six weeks would be then available for people to comment on the plan either via the web site, to my email address or to the ballot boxes placed in the Post Office, Ivinghoe and the Village Swan, Ivinghoe Aston.

Following this a copy of the draft plan was submitted and subsequently discussed with an officer of AVDC. Points raised by her have been addressed as follows.

- The gist of the plan, its objectives and its policies remain the same.
- Many of the descriptive words describing how the plan was developed etc have been condensed and moved to an appendix to shorten the plan into a working document.

- Some of the wording and presentation has been changed to conform to the phrasing and style which is more acceptable in a planning framework.
- The title of the document has also been changed from "Draft Plan" to "Pre-submission Plan"

Following a second meeting with the AVDC officer we have a couple more points to address, the document can then be presented formally to AVDC and other interested parties. Although we do not need to re-present it to the public as the actual gist of the plan remains in place, we do however, by law, have to allow a complete six weeks from this formal presentation. The time scale for comments will therefore be extended to the end November.

Once the complete changes have been accomplished we will publish the revised format of the document on the Parish Website.

Advance Notice....

The Scout Christmas Post is back for 2017

This Christmas why not support your local Scouts and save yourself some time posting Christmas cards around the villages by using the Scout Christmas post instead?

This year, I&P Scouts are working alongside Cheddington Cubs to deliver your Christmas cards to a wider area.

Your cards can now be delivered to Cheddington, Slapton and Horton as well as Ivinghoe, Pitstone and Marsworth

You can buy our special Scout stamps at £1.50 for 10, from the following retailers* from 18th November onwards. Stick them on your cards and post them in one of our many special post boxes dotted around the villages.

Masons Stores, Pitstone (Stamps + box)
CuriosiTEA, Ivinghoe (Stamps + box)
Windmill Pharmacy, Ivinghoe (Stamps + box)
Rose & Crown, Ivinghoe (Stamps + box)

St Mary's Church, Ivinghoe (box only)
All Saints, Marsworth (box only)

We will ensure that all cards posted by the 'last post' (5pm on Friday 15th December) will be delivered across the weekend of 16th and 17th December 2017.

Look out for our posters, check our facebook page (1st Ivinghoe & Pitstone Scout Group) and Village web sites early November for more information and extra retailers.

The Royal British Legion Ivinghoe & Pitstone Branch

On Sunday 17th September we held our annual Buffet Lunch. With 80+ people in attendance we could not help but have a good time. The food was amazing as usual and the raffle an abundance of wonderful and varied prizes. The total raised was £1,154 and the committee want to thank everyone who attended, everyone who helped (the Brooks family in particular) and those who donated raffle prizes.

At the end of October, we move into the 2017 Poppy Appeal, and as usual

we will be selling poppies door to door as well as having static boxes in local shops and other premises, and Joe Marling will also be in his normal place outside Pitstone Stores. We raised just over £7k last year and with your help and generosity we hope to equal or better that total this year. If you would like to help with this year's Poppy Appeal please contact Owen Wynne (Chairman) – **01296 668336**.

Wear your poppy with pride.
Thank you

Ivinghoe Speedwatch

Many Ivinghoe and Ivinghoe Aston residents may have seen the Sentinel speed camera out and about on its travels. The camera is not out there to catch speeding motorists but to educate drivers to adhere to the speed limits. It is only those motorists that fail to adhere, that get caught and consequently are reported to Thames Valley Police for further action.

RECENT SUCCESS

The number of speeding motorists through Great Gap is on the decrease as a direct result of implementing the use of the Sentinel speed camera

NOT SO SUCCESSFUL

We are seeing evidence that some motorists would rather not be educated but lose their licence as we consistently see repeat offenders

Myth – ‘In a queue of vehicles it is the first one that will get caught’. Wrong, all vehicles in the queue that are speeding will be caught.

The Sentinel speed camera operated by trained and authorized Ivinghoe Speedwatch volunteers.

The camera can be about on any day, at any time, at any of the nominated sites in the area.

Myth – ‘I can drive on the opposite side of the road to avoid being picked up by the camera’. Wrong, the camera catches the whole width of the road. Please don't attempt this, you could also be prosecuted for dangerous driving

For those that do get caught, the police will initially send a warning letter. For those caught subsequently within the Thames Valley Police area, namely Bucks, Berks and Oxon, the police will take things further. The visit of a uniformed policeman in a marked car to discuss your driving is an experience few would want.

Once reported, vehicles are also checked for Tax, MOT and Insurance. Again, if missing, the likelihood is that a policeman will come calling.

Myth – ‘The camera can only pick up vehicles in the direction of travel towards it’. Wrong, the camera can pick up and record in both directions simultaneously.

Want to know more?

Visit the Ivinghoe Parish Council website on www.ivinghoeipc.org.uk and click on the Speedwatch tab. Lots of information, including where we have been, how many caught, and volunteer information as well.

Your Mission – should you choose to accept it! Rikki Harrington

I usually only report from Ivinghoe Aston, but for this issue the new editor has sent me on a no-expenses-paid special assignment to a far-flung land. I packed my bags and documentation, and set off in a state of high excitement. At arrivals I was greeted by a friendly lady called Helen.

Rikki: Have you ever had anybody from Ivinghoe Aston in here before?

Helen: I don't know. Where's that?

She pulled a perfect pint. The choice of sandwiches looked fantastic. I ordered Brie and caramelised onion on multigrain and was asked whether I wanted soup or chips with it.

Rikki: Just the sandwich please.

Helen: They're included in the price.

Rikki: Oh, right, well chips then, please.

The Rose and Crown owner, Mick, appeared from the galley, introduced himself, then went back to prepare my sandwich – and chips. I was not disappointed. The choice of main meals looked great, too. Mick joined me for a chat, together with Bar Manager, Damon, and another bloke. To preserve his anonymity, let's call him Malcolm and not mention that he's Chairman of the Neighbourhood Plan Committee.

Rikki: Are your customers mainly from Ivinghoe?

Mick: Yes, we have a really great bunch of locals, including several clubs: photographers, knitters, book readers, bridge players, cheese lovers, share buyers, ladies wot lunch, walkers, cyclists and so on. There's great trade from Town Farm during the summer, too. On one

occasion we had 85 people eating at once.

Rikki: Do you allow children and dogs in?

The ensuing discussion was lengthy, but I can summarise by saying "yes" to both, although I rather got the impression that the latter were preferred. Half portions are available (for children, not dogs).

Rikki: What are your ambitions for the pub?

Mick: There's an opportunity to increase the lunch-time trade and the ale trade. The food is all absolutely fresh and very reasonably priced. Nothing too fancy, but not 'cheap and cheerful'. ►

Rikki: Damon, you're the ale man, tell me about your selection.

Damon: We have five pumps: two standard brews, two local guests and one national guest. We have a very small cellar and can't lay casks down. Instead we use a vertical stacking system. I've won awards for keeping real ales and I'm proud of that, but I'm a St Miguel man, myself.

Rikki: So, Malcolm, you're a regular, give me an overview.

Malcolm: It's undoubtedly a very friendly pub. The staff are lovely and welcoming. It has a small but very nice outdoor area as

well as a homely, well-maintained interior as you can see. On top of that, the food and beer are excellent. What more could you want from a pub?

Rikki: Amen to that. Cheers!

The Rose and Crown is open every day from midday until 11pm. The kitchen is open every day except Monday from midday to 2pm and 6pm to 9pm. Take away fish and chips are available – ring in your order: **01296 668472**.

A note from the Editor...

I very much hope that you are still enjoying reading the Ivinghoe Beacon magazine, it has changed a little since the Parish Council took over the production of the magazine.

We really want the magazine to be something you get pleasure from reading as well as a useful reference tool for local events and advertising.

We are always looking for new ideas to keep the magazine an interesting read, so if you have something that you would like to be considered for inclusion, please do get in touch!

Many thanks and happy reading.

Remembering in Silence

On Sunday 12th November there will be a service in St Mary's Ivinghoe at 10:30am which will build up to a one minute silence at 11am. This tradition began in this country in 1919 when King George V asked that "in perfect stillness, the thoughts of everyone may be concentrated in reverent remembrance".

Many of us will know how the cries of grief at the news of the death of a loved one give way to an extraordinary stillness. We have seen how as the feelings of loss take hold sobbing subsides into deep silence. One hundred years ago, in 1919, at the 11th hour of the 11th day in the 11th month the silence must have been unimaginably deep after the deaths of so many in the First World War.

People of faith will know the silence of God, a disconcerting stillness that confirms atheists in their disbelief and

which can dent the faith of believers. It was silence that descended like darkness around Jesus when in the throes of his own violent death he pleaded with God, "Why have you forsaken me?". Then heaven was silent.

But what sound would God make? And if he did cry out who would be able to stand the sound of his wailing? Would anyone who experienced his grief have words to describe it?

Yet in our common silence we will, if just for a moment be mindful of all who either dead or alive, bear the scars of battle. We will remember them and you are invited to join us and make our stillness all the louder at this or any other act of remembrance.

Revd Adrian Manning

Vicar of Ivinghoe and Pitstone

Ivinghoe & Pitstone Chapel Fellowship

We are a small and friendly group of local Christians who meet to worship God in a fairly informal way, in song, in prayer and with messages brought by a variety of local preachers.

We meet on Sunday mornings at 10.30 in the Millennium Room at Pitstone Memorial Hall for services that last about an hour, followed by social chat over a cup of tea or coffee.

Ivinghoe Allotments

Tales from the Plot

Well, here we are in the first week of October and before we know it we will be getting the Christmas decorations ready for the festive season. Where has the year gone? Whether you are retired or working time seems to whizz by and this is why we should all make the most of our time.

Once again it has been a challenging time on the plot with the changeable weather we experienced over the summer months. Courgettes, beetroot and broad beans came on very rapidly and then died suddenly – maybe it was the variety. The yields were good but not prolonged. It seems that other plot holders experienced a similar thing.

It is a quiet time of the year now on the plot. However, there is plenty of maintenance to be getting on with. Fence repairs, new posts on the raspberry bed, additional or replacement wood around the beds and a good dose of manure all over the plot are just a few jobs. In the next few weeks I will be planting garlic cloves ready for the frost which they need to make the bulbs, and being that they are shallow rooting it does not like competition so weeding is very important.

I must admit that over the growing season it was great to see our allotments full of colourful and lush looking plants. This was also mentioned to me by one or two of the visitor's to the allotment open day in August. The day was more successful than last year and one lady who was holidaying in Berkhamsted from Devon remarked that if she had a plot on our site very little

weeding and planting would be done as she would be more than content to sit and admire the view of the Pitstone Windmill and surrounding countryside.

On Saturday 9th September we held the annual Ivinghoe Flower and Vegetable Show at the Hub. I would like to thank, on the behalf of the Committee, all the people who made the effort to enter exhibits and at the same time congratulate the winners! I would also like to thank the present Committee for their efforts setting up the rooms. A special thank you goes to Bob and Carol Corn for all their help.

Mind how you go...

Ernie Ivinghoe Allotment volunteer

Allotment Diary

It is a beautiful early October afternoon as I sit on my bench to write, watching my Silkie hens stretched out enjoying the warmth of the sun. Looking back it has been a very good year, quality and quantity of all my crops has been very pleasing the same has been said by my fellow plot holders.

Not so hectic this time of year although winter and spring vegetables still need some attention while it is so warm, until the first frosts arrive and slow down the weeds and bugs. Summer vegetables all lifted, marrows harvested and put into store, they should keep for a few months. Pumpkins almost ready for Halloween.

Halloween when I was a child is not the full blown American occasion as it is today, there were no pumpkins, my friends and I would follow the sugar beet harvester and

pick up and beet that were dropped. We would take these home to hollow out (they were jolly hard work) we would make holes at the top for the string to go through and put a candle in the middle. They would be kept for Bonfire night when they would be hung up round the gardens, everybody in our row would have a bonfire and fireworks in the garden, the older children in charge of lighting up, I think health and safety would have a fit if this happened today but fortunately none of us ever had an accident.

By the time the Beacon arrives November 5th will be upon us and before you know it Christmas. I always enjoy going up to the allotment Christmas morning to collect my vegetables for Christmas lunch, and on that note I will just go and check my sprouts.

Happy gardening, **Gloria**.

Ashridge Rambles – what are friends for...

When the Ashridge Estate was first acquired by the National Trust in 1926, it was managed by a local management committee, which employed an agent to carry out its wishes. Over time, as the National Trust began to employ its own staff based on the estate, the role of the committee diminished and it took on more of an advisory role. The Ashridge Estate Committee is one of just a handful of local committees that has survived into the twenty first century and includes representatives from each of the parishes that border the estate. I represent Ivinghoe, but have been invited by the committee to produce a brief news update for inclusion in any of their parish council magazines. In this issue, the update concerns Friends of Ashridge.

For many years, anybody could become a Friend of Ashridge for a small subscription, and hence keep in touch through an excellent newsletter produced twice a year. Friends also helped with the organisation of a range of fund-raising events. For a variety of reasons, the formal structure of Friends of Ashridge ceased at the end of 2015. The Ashridge Estate Committee recognised, however, that many people wish to support Ashridge without necessarily being active volunteers and, therefore, Friends of Ashridge has been retained as an entity. Friends provide valuable support to Ashridge through a £10 annual fee and, in return, receive a colourful and informative annual

review, Chronicle. The first Chronicle, designed by Ivinghoe's Caroline and Roger Hillier, was launched in August 2017 and covers the 2016 calendar year. It includes news of events and articles on the management, natural history and personalities of the estate.

You will surely agree that Ashridge is a magnificent and valuable local asset with a fascinating history. Being a Friend helps with its upkeep and keeps you well-informed. To join, please email stephanie.hodges@nationaltrust.org.uk who will be pleased to email you the registration form.

JTPT Outdoor Bootcamp – I think about you in the shower!

That is of course, where all of my ideas for my outdoor sessions come from! If you have ever spent an hour with us on the picturesque Ivinghoe Lawn, you'd know how much we hate 'run around the field' warm-ups and love to keep things fun and interesting! One of the main issues with exercise is motivation and boredom. If you enjoy exercising, you will carry on exercising!

Our mission is to transform your body and your mindset – and get REAL results. Being fit and healthy doesn't just change the way you look, it transforms the way you feel. Exercise in a group gives you the self-confidence and self-belief you need to change your life – whether it's a new promotion at work,

asking that person you've liked for ages out on a date, or simply going on holiday in your best swimwear, the effects can be phenomenal.

So, imagine how you would FEEL if you were at your perfect size. Now ask yourself, what's stopping you?

Take the leap, contact us and see what all the fuss is about.

Your Coach, **Josh**

Councillor News from Anne Wight

Anne Wight
Bucks County Councillor
Ivinghoe Division

One of the upsides of being a newly elected county councillor is that I am able to show support for the wonderful variety of village events throughout our local area. I am amazed by the commitment and support of so many volunteers throughout all our villages, and so it gives me great pleasure to be able to showcase a few of these here.

Slapton Village Fete

The residents of Slapton put on a wonderful Village Fete this year and I was privileged to have been able to attend. It featured everything from vintage cars on display to a coconut shy, a plant stall, great musical performances and even African arts and crafts—it definitely had something for everyone! Photographer Alec Packham of Slapton kindly supplied me with this photo souvenir of my day there.

During the glorious August Bank Holiday, Slapton hosted the Spirit of Slapton Fayre and Music Weekend. There were many stalls

and the live music resounded around the village. The real hit on Saturday were the Charnborough Ring Mobile Belfry group. This portable set of six bells was demonstrated ably by three teams of professional bell ringers. Parishioners young and old were able to take a turn too. Proceeds from the weekend go towards the Slapton Bell Restoration Project. Although I wasn't able to get to this event myself, it is definitely on my list of unmissable events for next year, so well done to Slapton!

Bucks County Show

The Bucks County Show celebrated its 150th anniversary this year and, it was a pleasure to have been able to chat with residents as they explored the many tables in the Bucks County Council marquee which had information on Fostering, Libraries, Energy from Waste and Transport for Bucks. There was even a gritter on show in preparation for the winter weather. The event was very well attended and there were plenty of BCC staff on hand to answer questions, so it was wonderful to see everyone enjoying their day out despite the odd shower.

HGV Freight Strategy update – Ivinghoe Sentinel

I was fortunate to have been able to spend a morning recently with Sarah Gibson, from BCC's Freight Strategy team, along with Ivinghoe parish council members to see how effective the sentinel traffic monitor is as we watched the rush hour traffic into Ivinghoe. We noted the number of HGVs into the village and afterwards we both went to Horton via the Brownlow Bridge to examine traffic conditions there. As one of the key officers who will be helping to formulate the Freight Strategy, Sarah is keen to ensure that she has a full understanding of freight issues throughout Ivinghoe Division.

Marsworth Flower Festival

Although I had heard of the Marsworth Flower Festival, this was the first year I was able to attend. I was very much impressed by the stunning flower displays which decorated the church for the Flower Festival. The excellent quality of all the displays was clear, and I was especially taken with the Red Arrows display in particular, complete with ribbon trails! There were some very unusual and beautiful displays in the church, and the homemade cakes and jams were a definite treat as well. I've included a few photos below of some of the ladies hard at work making some flower displays and at the jam stall—well done to everyone for all their efforts!

AVDC urges residents to respond to voter registration forms

Aylesbury Vale District Council (AVDC) will be sending out annual voter registration reminder forms and is asking residents to respond as quickly as possible in order to help save money.

All properties in Aylesbury Vale received a 'Household Enquiry Form' in early August, but so far over 27,000 households have yet to respond. Residents are required by law to confirm or update the details of anyone at their address who is eligible to vote in the UK.

The forms are pre-printed with the names of the occupants currently registered to vote at each address. A response is required, either to update their details if there are any changes, or to confirm that the information is still the same. Even residents who voted in the General Election will need to respond.

Although the canvass response rate to date has been encouraging, over 30 per cent of homes in the Vale have yet to respond. Those households who do not respond to the reminder have to be personally visited, which is an expensive exercise. AVDC are urging residents to help us save money wherever possible by responding to their reminder form promptly."

Residents can respond online using a unique 14 digit reference number which is printed on the form. The online process also allows people to add the names of any new occupants as well as remove

names of those who no longer live at the address, or request a postal application.

Unitary update

The proposed rationalisation of our local government/councils from a 3 tier to a 2 tier organisation has apparently not made any progress since early summer. The current arrangements is 3 tier, i.e. The Parish/Town Councils, The District Councils and The County Council (Bucks CC). It is proposed as a result of consultancy study, to merge the three southern districts ie Chilton, South Buckinghamshire and High Wycombe to form the southern unitary and the fourth district council AVDC to become the northern unitary. This would result in a 2 tier arrangement with the existing Parish/Town Councils and the new northern unitary (name to be decided!). We can only conclude that the Brexit priorities are all consuming and not allowing central government time to deliberate on

local government issues.

For your information, Dorset may well get the go ahead soon but only because its member authorities are in agreement with the way forward. Unfortunately, Buckinghamshire isn't in that position so will probably have to wait until sometime in the future for a decision. Currently the four districts agree with the result of the consultation but BCC does not.

Vale of Aylesbury Local Plan – VALP

The VALP (the VALP is the district equivalent to our Neighbourhood Plans) is progressing well and will go to scrutiny on the 26th September and targeted for completion and submitted to the Secretary of State in January 2018.

AVDC can now demonstrate it is meeting the governments housing number requirements which gives the planners a stronger position to negotiate conditions with developers for future building projects.

The Vale of Aylesbury Local Plan latest –

1. It needs to plan for about 27,000 new homes by 2033 – though around half of these are either already built or have planning permission
2. Almost two-thirds will be built in and around Aylesbury as part of the Garden Town vision
3. Other growth areas are Buckingham, Haddenham and Winslow as the next most sustainable settlements
4. We are exploring the potential of housing at RAF Halton once it has closed in 2022
5. There is also a large housing development site going ahead at Salden Chase on the edge of Milton Keynes.
6. Smaller levels of growth are planned at villages, a lot of which have

neighbourhood plans in place or in progress. Neighbourhood plans have allowed the community to have a say in how their area develops and where growth should go.

7. At present a new settlement is not being proposed. This may change in a future Local Plan review, once we have a clearer understanding of the government's intention for the east-west expressway between Oxford and Cambridge

This is an incredibly complex plan, which will affect the Vale for generations to come, and getting it right is the priority.

Housing Developments in the Vale

During early September the planning committees were invited to view the new development in Kingwood, Aylesbury, this is the massive building sites in and around Broughton Crossing. This will make available in excess of 2000 homes. What is interesting is the approach by the building company to engage with local environmentalist and the RSPB (Royal Society for the Protection of Birds). Usually they are in conflict! The outcome is the design of the 'estates' where the geography is being utilised to create water features including a nature reserve to benefit wild life. Also, the houses are built with bat boxes, swift 'holes' and house martin nests in addition to hedgehog and badger passage ways. This is not only good news for the wild life but it appears this is a positive selling point. If you are passing this location you may be interested enough to call in the sales office and collect some of their leaflets that describe the venture, could be ►

useful for the more local developments to illustrate what is possible.

HS2 Information and HS2 Act FAQs

HS2 have recently published their Community Engagement Strategy which is now live on the GOV.UK website.

It sets out HS2s approach to community engagement and what it means for those who either live or work within the communities along the line of the new railway. The strategy will help support the thinking, actions and decision making of both our people and our supply chain. HS advise that this is very much the starting point and the next level is to finalise HS2s Local Area Engagement Plans that are specific to each local

area. These will be published in the coming months.

A frequently asked questions document has been written relating to Schedule 17 in the HS2 Act 2017. Schedule 17 in the Act puts in place a process for the approval of certain matters relating to the design and construction of the railway. This document can be found attached.

Dear Dog Walkers of the Parish

The walks round here are nice, we think you'll all agree,
 And many people comment, on the views being so pretty.
 But sometimes on the path you walk, you look and you do see,
 A squidgy thing you stepped on, is something that's sh***y.

So we kindly ask you, when Rover needs a poop,
 You make a little effort; you simply bend and scoop,
 And have a thought for fellow (wo)man, do not commit a sin,
 You know you need to pick it up, and put it in the bin!
